Leadership

Den Chief, leading and encouraging 5th graders to continue their scouting career by teaching scout skills like first aid and citizenship.

Troop Guide, leading new groups who have just joined the troop by helping them learn skills like cooking and teaching them how to work as a successful team

Assistant Senior Patrol Leader, focused on helping younger scouts feel welcome in our troop and helping them succeed.

Assistant Senior Patrol Leader, focused on mentoring and establishing boys in leadership roles in the troop. These roles included scribe, historian, webmaster, and skills instructor.

National Youth Leadership Training Staffer: Quartermaster, worked during a week-long course teaching them how to work with a team to accomplish goals. As well as running a kitchen that fed ~300 people.

Senior Patrol Leader, leading troop 41 of around 40 boys during a rebuilding period after COVID-19

Computer Science Club Vice President and Founder

National Youth Leadership Training: Troop Guide, acted as a mentor for a group of 6 boys while they developed as a team and learned leadership skills. Taught how to set effective goals to achieve a vision.

National Youth Leadership Training: Scribe, served as a mentor to troop guides on the course. As a senior leader, I focused on documenting the course and sharing the experiences of the boys with their parents. Taught the concept of servant leadership
